We plan to publish IPV Insider once a week to share amazing opportunities to help us each make a difference. Please forward this publication to any interested party. Your input is welcome. Send items to include in future issues to

Write Letters to Voters Before the Midterms!

Help IPV prepare down-ballot voter turnout letters for Nevada.

Swing Left Peninsula is providing the letters and addresses targeting low-turnout, low-profile elections where Vote Forward letters have the most impact. IPV will provide the envelopes, pens and stamps. All you have to do is write a sentence or two and address each envelope in blue ink. We'll stockpile the letters and send them for you just before the midterm elections.
