

IPV Insider: September 9, 2026

As we approach the mid-terms, we have a couple of important updates for you.

- Many of us have been anxiously waiting information on the next No Kings event. This week, the No Kings Coalition (which includes Indivisible National) will announce details on Thursday, Sept. 10 at 5pm PT. Registration is required and link is below.
- Since we have had requests to gather for meetings, we are going to try a hybrid approach this month — so you can participate on Zoom at 7pm. or at Cindi's for a potluck at 6pm and meeting at 7pm.
- Last but not least, last week on Indivisible National's "What's the Plan?" renowned pollster Celinda Lake shared two slogans that she said will resonate right now:

THE MANY CAN BEAT THE MONEY!

VOTING DAY IS WHEN VOTERS GET OUR SAY!
